Product Changes

When more than one version of any part has been used, compare the model and Vehicle Identification Number (V.I.N.) range listed with the model and V.I.N. of the motorcycle being repaired. If it is unclear which part should be used, contact Excelsior-Henderson Dealer Support Services (800) 873-4957 with the model and V.I.N. and they will help verify the correct part application.

Any related assemblies, service kits, or retrofit kits are listed either directly under the individual part entry, or at the end of the assembly's part list.

Any notes or additional part information can be found at the end of the assembly's part list.

Prices

Prices for all items found in this catalog can be found in the Replacement Parts Price List. We reserve the right to adjust prices between catalog and price list printing.

Ordering

All Authorized Dealers should contact Excelsior-Henderson Parts Supply at FAX: 1-800-873-5980 or PHONE: (612) 873-7047 between 8:00 a.m. and 5:00 p.m. CST Monday - Friday to order parts.

Minimum Order

A \$10 service charge will be added to any order under \$25 (pre-freight).

Backorders

All backorders will be automatically shipped unless you clearly indicate NO BACKORDERS on your parts order. We will try to reconfirm backorders over 30 days old before shipment.

Delivery

All orders normally ship within 24 hours of receipt. Unless otherwise specified, all orders ship via UPS Ground service.

Returns

Currently, all service parts are considered non-returnable. Parts shipped in error by Excelsior-Henderson and defective parts will be credited to your account, including return shipping charges (UPS Ground Only). Contact Excelsior-Henderson Parts Supply (612) 873-7047 for a return authorization number prior to shipment. Return Authorizations must be requested within 10 days of part receipt.

If non-returnable parts are returned, they will be sent back to the dealer freight collect with no credit due.

Warranty

Excelsior-Henderson Motorcycle Manufacturing Company warrants its service parts (standard vehicle components) to be free from defects in material, workmanship, and construction. Should the part(s) fail within thirty (30) days from the date of invoice and during normal use, Excelsior-Henderson Motorcycle Manufacturing Company will repair or replace at its option the part(s) only. Labor charges will be the responsibility of the motorcycle owner.

Electrical component(s) purchased through and installed by an authorized Excelsior-Henderson Dealer will have the same thirty (30) day warranty as service parts. Electrical component(s) purchased over the counter will be sold without warranty or replacement agreement.

Service parts can be returned for warranty coverage only with prior authorization from the service department. Please follow the standard warranty claiming procedure outlined in your Warranty Policies and Procedures Handbook found in your Warranty and Service Bulletins Handbook.

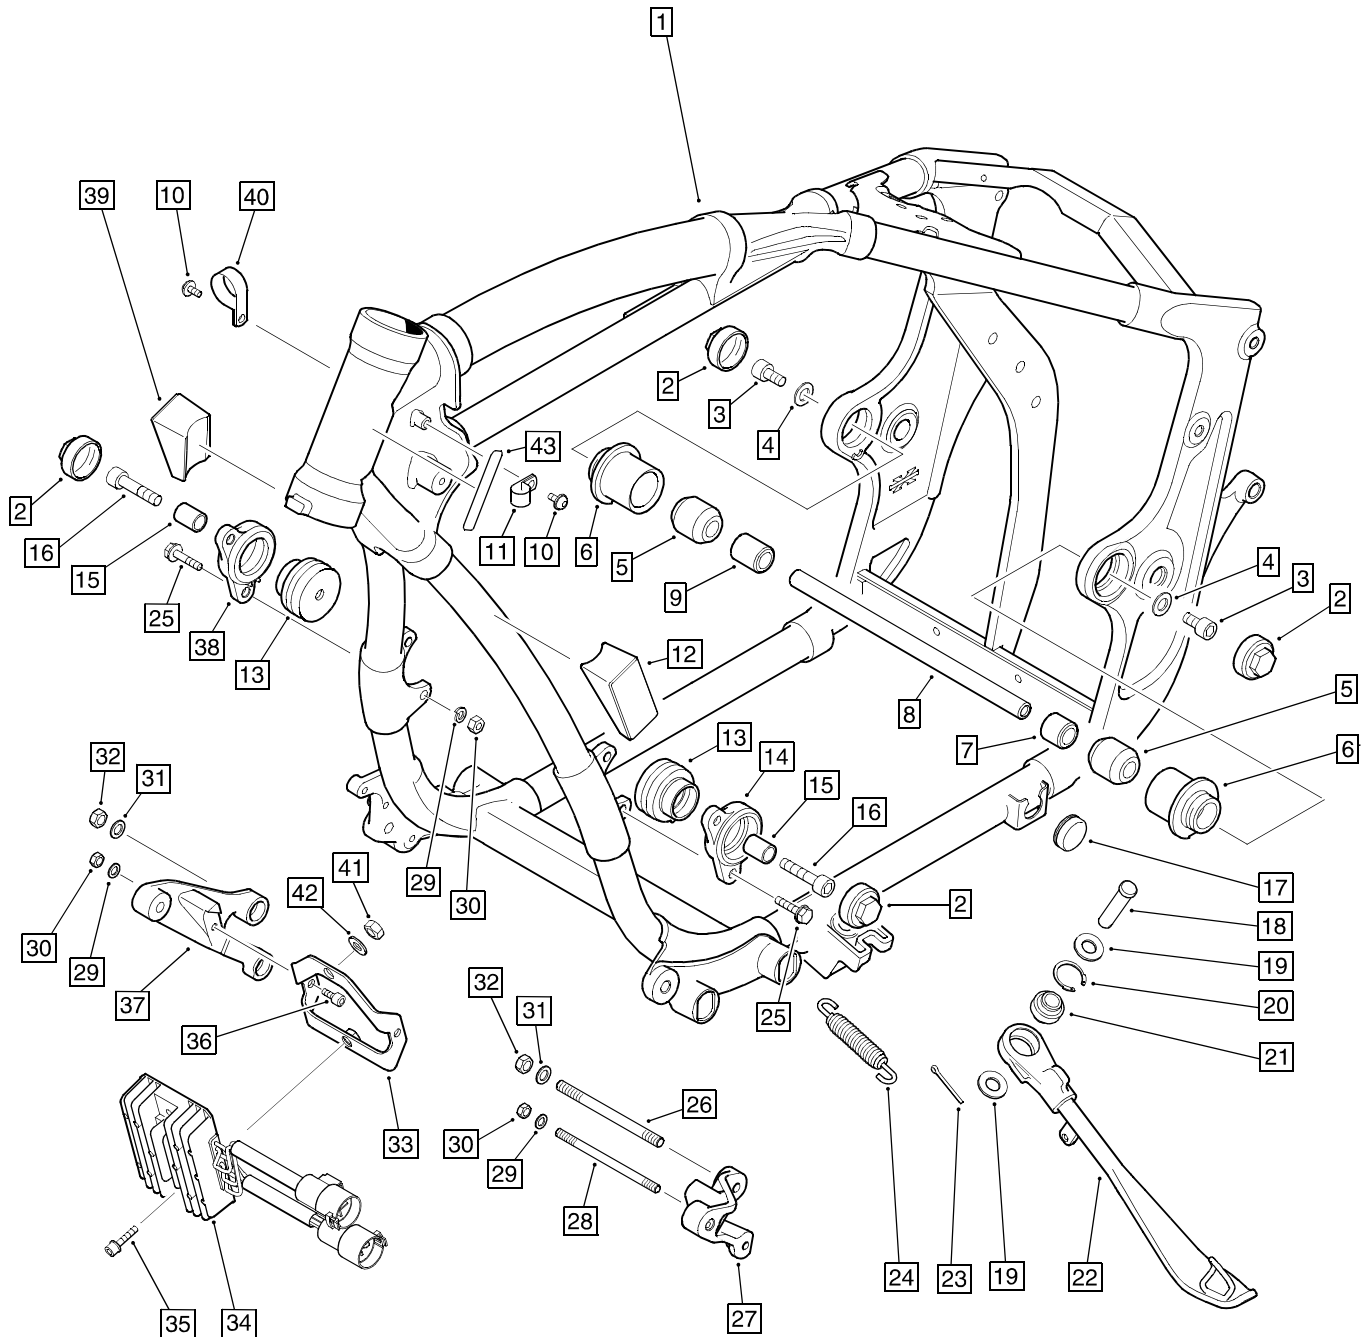

Accessories

Replacement part information for all Excelsior-Henderson brand accessories can be found in the Accessory Handbook packaged with each accessory kit.
